Junior year everybody was "ballin'". We had double state champs for basketball and track, the seniors were hatin' because we made more money than them. June 07 we had our Hollywood Red Carpet Prom, we had 8 fire drills in 1 day, and when that last bell rang in June we could finally say we were

Soccer was not just a sport to these boys. They played for the love of the game and because of that they were able to get through so many things as a team. From Nicoy, Delroy n Kevin head-in goals, along with Edwards multi goals it was all worth it. The game lives on and I know all of you guys will do just great in the future. Thanks for a great season. Bottom: Christine Sox, Kaye Gordan, Kimberly Paul, Shameel Burgees, Ashley Morgan, Jessica T, Christina Sox, Angelica Sox. AND also Alicia Lewis(not in photo)

Although the girls weren't the best, they always came back with smiles on their faces. Even if they lost a game or if Sherrell fell, or JT kicked the ball in our goal. It was worth it even when Thalia picked up the ball at her 1st game. At the end of the day all differences were put aside. They were champions in their own way, win or lose!
